O R D E R:-

In the G.O. 1st read above Government re-constituted three (3) Committees that encompass the officials mentioned under each of the Committee for evaluation of the bids called on Engineering Procurement and Construction (EPC) for implementation of Housing Projects in A.P. Township & Infrastructure Development Corporation Limited (APTIDCO) in the interest of the works and in the interest of the state finance/ Exchequer. Vide G.O. 2nd read above, certain amendments have been issued to G.O. 1st read above.

2. The Managing Director, A.P. Township & Infrastructure Development Corporation Limited (APTIDCO), Vijayawada, in his letter 2nd read above, has stated that the TIDCO has taken up EWS housing under AHP-PMAY (U) in the State of Andhra Pradesh and constructing houses are at various stages. Some of them were completed in all respects including the External Infrastructure except STPs. It is high time to take up STPs as it is necessary to make the colonies fit for occupation. Since there are so many technologies prevailing in construction of STPs, it is necessary to identify suitable technologies depending upon the space available and other requirements. Further, the ASCI is providing technical support on free of cost and suggested to call for EOI (expression of interest) and RFP (Request for Proposal) thereon so as to select suitable technologies and as well awarding works duly super seeding the G.O.Rt.No.668, M.A. & U.D. (UH) Department, dated 21-10-2019 for these STP EPC works only as the STP works required more Technicality & Expertise. He has therefore, requested the Government to constitute technical committee for the STP EPC works only.

3. After examination of the proposal, Government hereby constitute the technical committee with the following members for the STP EPC works only, as the STP works required more Technicality & Expertise.

1.	Chief Technical Officer, APTIDCO	Member Convener
2.	Engineer-in-Chief (Public Health)	Member
3.	Chief Engineer (Vijayawada Municipal Corporation)	Member
4.	Representative from A.P. Pollution control board	Member
5.	Representative from ASCI	Special Invite

4. The Managing Director, A.P. Township & Infrastructure Development Corporation Limited shall take necessary action in the matter.
